

**10Bar Fluid Pressure Transducer**

**Technical Specification**

Process Connection	1/8 Inch NPT Male
Safe Over Range	150% of Range
Burst Pressure	>300% of Range
Accuracy	0.5%FS
Thermal Effects	Zero +0.04% FS/C
Output	0.5v to 4.5v
Supply	5V
Operating Temp Range	
Construction	Stainless Steel
Electrical Connection	50cm - 26AWG Screened Cable
Protection Class	IP67
Weight	34g

**Output**

0.5v – 0bar  
4.5 – 10bar

**Connection Details**

5V Supply – Red  
AnGround – Blue  
Signal - Yellow
